RE: Waste Tire Hauler Registration # 1119

Dear Mr. Poore:

Thank you for the submittal of the application to become as a registered tire hauler in Virginia. After reviewing your business license and information, we have approved the registration, and **Diverse City Transport, LLC** has been issued

Hauler Identification Number 1119

Expires: May 17, 2019

Please use this ID# when completing the waste tire load documents/tracking documents. Please verify that the designated Processor is recognized by this Department as an approved firm. Also, one month before expiration of the registration, please notify us if you wish to re-register.

While you have voluntarily registered with the Virginia Department of Environmental Quality (DEQ), DEQ does not endorse any business nor can it insure other parties of your proper handling of waste tires in compliance with all applicable environmental regulations.

DEQ appreciates your assistance in the documentation of the origin and proper management of waste tires. If you have any questions or comments, please feel free to call the Waste Tire Management Program Office at (804) 698-4575.

Sincerely,

A handwritten signature in blue ink, appearing to read "Carlos A. Martinez".
